IN RE: Application of Duke Energy Carolinas, LLC)	ORDER APPROVING
for Authorization to Enter into a Business)	WITHDRAWAL OF
Combination Transaction with Cinergy)	CONFIDENTIALITY
Corporation)	REQUEST

This matter comes before the Public Service Commission of South Carolina ("Commission") for consideration of a response by Duke Energy Carolinas, LLC ("Duke" or "the Company") to a Commission directive dated June 11, 2008. Duke submitted its Market Monitoring Report for the First Quarter of 2008 as a confidential document, which we interpreted as a request for confidential treatment. However, the Company failed to submit its reasoning as to why the material should be deemed confidential. The Commission issued a Directive providing Duke an opportunity to further support its claim for confidentiality. Duke's response stated that the material was erroneously submitted as privileged and confidential, and requested withdrawal of the request for confidential treatment. The Company stated that the material would be submitted as a public document.

Since the Company erroneously submitted the material as a confidential document, we grant withdrawal of the request for confidential treatment. Duke shall file the public version of the document.

This Order shall remain in full force and effect until further order of the Commission.

BY ORDER OF THE COMMISSION:

G. O'Neal Hamilton, Chairman
